CHARTIFACTS

Week Commencing 5 January 2015 Issue #1297

SINGLES. Heading in to the New Year, Mark Ronson and Bruno Mars remain at the top of the ARIA Singles Chart for a fourth week with Uptown Funk to become the first No.1 single of 2015. For Mars, it marks his longest run at No.1, beating the three weeks at the top with his solo effort with Grenade (No.1 Dec.'10). Looking to take the top spot away from them is Irish singer/songwriter Hozier with Take Me To Church. In its fourth week in the top 50, the track moves one position to the No.2 spot. British singer/songwriter Charli XCX picks up her second top ten single on the ARIA Singles Chart with Break The Rules moving three spots to No.10. It follows on from Boom Clap (No.9 Jul. '14) and comes off the back of the release of her third album Sucker which climbs to a new peak at No.53 on the ARIA Albums Chart this week. A jump of 7 spots for Sia marks her return to the top 20 with Chandelier (No.2 Apr. '14) at No.20. The track was last in the top 20 back in July.

No.22 **CHEERLEADER (FELIX JAEHN REMIX)** – Omi. Originally released in 2012 by Jamaican singer Omar Palsey, AKA Omi, Cheerleader has taken on a second life thanks to a remix by German DJ/producer Felix Jaehn. Along with making its ARIA Chart debut this week, the remix has also gone to No.1 in Denmark and Sweden.

ALBUMS. Taylor Swift returns to the top spot for a fifth week with her former chart topper 1989 (No.1 Nov. '14). It marks the third time the album has returned to the summit. A move of three spots to No.3 for In The Lonely Hour puts Sam Smith only one position behind his all-time peak achieved back in June and marks the first time the album has been in the top five since September. ARIA Hall Of Famers INXS return to the top ten this week at No.9 after a jump of 11 spots. The Very Best (No.1 Feb. '14) spent seven non-consecutive weeks at No.1 over February-April and is the longest running No.1 album of 2014. The album was last in the top ten back in June and has now spent a total of 9 weeks in the top 10. Winner of Best Independent release at the 2014 ARIA Awards, Built On Glass (No.1 Apr. '14) by Chet Faker, rises 11 positions and to No.10, re-entering the top ten for the first time since July. With lead single Take Me To Church within reach of topping the ARIA Singles Chart, the self-titled debut from Hozier reaches a new peak this week at No.18 after a jump of 16 spots. It previously peaked at No.20 on its debut in October. No.81 **ANNIE** – Soundtrack. The third film adaption of the 1977 Broadway musical Annie is the first to spawn an ARIA top 100 soundtrack. The 2014 remake stars Jamie Foxx, Cameron Diaz, Rose Byrne and Quvenzhané Wallis in the title role. The soundtrack also features three new songs and arrangements co-written by Sia including reworked versions of the original Broadway classics such as It's The Hard Knock Life, Tomorrow and You're Never Fully Dressed Without A Smile (No.71 Nov. '14).

#1 Single this week
